

TEEN

ADVISORY

BOARD

Help make the Library a cooler place for teens by joining the Teen Advisory Board!

The board is open to students (grades 8 - 12) and meets twice a month. Members will help shape the future of the Library by helping develop programs and services, recommend materials for purchase, and promote the Library to other teens.

Board members earn community service credit hours while participating in TAB.

Our next four meetings are Wednesday, July 14th & 28th and August 11th & 25th at 5 o'clock.

Free pizza and soda will be served.

Be a part of something fun and important. Help make your Library a great place for teens!

For more information about the Gulf Gate Library Teen Advisory Board, check with Robert in Reference or Michele in the Youth Department.
